Independent Auditor's Report

Board of Directors
Truth For Life

Opinion

We have audited the financial statements of Truth For Life (the "Organization," a nonprofit corporation), which comprise the statements of financial position as of December 31, 2024 and 2023, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to the financial statements.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the Organization as of December 31, 2024 and 2023, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Organization and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for one year after the date that the financial statements are issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Truth For Life

Notes to the Financial Statements

December 31, 2024 and 2023

Note 1: Summary of Significant Accounting Policies

Nature of Organization

Truth For Life (the “Organization”), incorporated in December 1994, under the laws of the State of Ohio, is a not-for-profit religious corporation. The Organization is dedicated to proclaiming the Gospel through radio and digital programs and related study materials. The programs consist of the sermons of Pastor Alistair Begg, Senior Pastor at Parkside Church in Ohio.

Basis of Presentation

The Organization follows authoritative guidance issued by the Financial Accounting Standards Board (FASB) which established the FASB Accounting Standards Codification (ASC) as the single source of authoritative accounting principles generally accepted in the United States of America.

The accompanying financial statements have been prepared on the accrual basis of accounting. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Organization and changes therein are classified and reported as follows:

Net Assets Without Donor Restrictions – Net assets that are not subject to donor-imposed stipulations, whether due to time or purpose. These include net assets designated by the Board of Directors to be set aside for specific purposes over which the Board retains control and may, at its discretion, subsequently be used for other purposes.

Net Assets With Donor Restrictions – Net assets whose use has been limited by a donor to a specific time period or purpose. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets are reclassified to net assets without donor restrictions and reported in the statements of activities as net assets released from restrictions.

Revenue Recognition

Revenue is recognized upon transfer of control of products. Control transfers when products are shipped (point in time). Products include books, recordings, and other materials. The products are available to the general public on the Organization’s website, and revenue is recognized as products are shipped to these individuals. As a practical expedient, the Organization may apply revenue recognition guidance to a portfolio of contracts with similar characteristics if the Organization reasonably expects the effects on the financial statements of applying this guidance to the portfolio would not differ materially from applying this guidance to the individual contracts (or performance obligations) within that portfolio. The Organization is taking the practical expedient approach, as all contracts with the general public for the purchase of items for sale are similar.

Truthpartner memberships are primarily contributions; however, they include a right for Truthpartners to elect to receive premiums throughout the year. Not every member elects to receive such premiums. While this right to elect to receive premiums represents an exchange transaction, management has determined that the effect of the Organization recognizing Truthpartner revenue at the time of contribution is not materially different than if the Organization were to identify and recognize the exchange portion at the time a Truthpartner exercises their right to receive a premium, or such right expires. The Organization is taking the practical expedient approach, as memberships are very similar for each individual membership purchased.

Truth For Life

Notes to the Financial Statements

December 31, 2024 and 2023

Note 1: Summary of Significant Accounting Policies (continued)

Revenue Recognition (continued)

There were no material contract assets or liabilities at December 31, 2024, 2023, and 2022.

The Organization recognizes unconditional promises to give as revenue in the period in which the promise is received. If there are no donor-imposed restrictions on the use of funds, then those revenues are classified as without donor restrictions. If a donor-imposed restriction exists, then it must be determined if this restriction is with regard to time or purpose, or in perpetuity and classified in the financial statements as net assets with donor restrictions. A donor-imposed restriction is present when the contributor of funds designates a specific purpose or time period in which the funds may be used. At the time when this donor-imposed restriction has been satisfied, net assets with donor restrictions are reclassified as net assets without donor restrictions, and disclosed in the statement of activities.

If donor-imposed conditions exist, revenue is recognized when the conditions are substantially met. A donor-imposed condition exists when (a) one or more barriers must be overcome before a recipient is entitled to the assets transferred or promised, and (b) a right of return to the contributor for assets transferred or a right of release of the promisor from its obligation to transfer assets exists. When the conditions are substantially met, revenue is recognized as support without donor restrictions or support with donor restrictions if donor-imposed stipulations are present.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Cash and Cash Equivalents

The Organization considers deposits in financial institutions or time deposits, excluding brokerage cash and money market funds, with an original maturity date of 90 days or less to be cash and cash equivalents. The balances, at times, may exceed federally insured limits.

Accounts Receivable

Accounts receivable are uncollateralized obligations and are stated at the amount billed. Customer account balances with invoices dated over 90 days old are considered delinquent.

The carrying amount of accounts receivable may be reduced by an allowance for credit losses, which is an estimate of amounts that may not be collectible. In determining the amount of the allowance as of the statement of financial position date, the Organization develops a loss rate. This loss rate is based on management's historical collection experience, adjusted for management's expectations about current and future economic conditions. At December 31, 2024 and 2023, management estimated that no reserve was required.

Truth For Life

Notes to the Financial Statements

December 31, 2024 and 2023

Note 1: Summary of Significant Accounting Policies (continued)

Inventory

Inventory is carried at the lower of cost or net realizable value. Cost is determined using the average cost method. Inventory consists principally of recorded versions of Alistair Begg's Bible teachings, books, and other materials for distribution to listeners of the radio broadcasts and website visitors. Management periodically reviews its inventory for excess and obsolescence. At December 31, 2024 and 2023, management estimated that a reserve of \$100,000 and \$66,964, respectively, was required.

Investments

Investments in marketable securities with readily determinable fair values and all investments in debt securities are reported at their fair values in the statements of financial position. Interest, dividends, realized and unrealized gains and losses and investment fees are included in investment return, net in the statements of activities. Cash flows from donated securities which are sold immediately are considered operating cash flows in the accompanying statements of cash flows.

Investment return, net consisted of the following for the years ended December 31:

	<u>2024</u>	<u>2023</u>
Interest and dividends	\$ 924,370	\$ 627,199
Net realized and unrealized gain	<u>551,526</u>	<u>649,796</u>
	\$ <u>1,475,896</u>	\$ <u>1,276,995</u>

Property and Equipment

The Organization's purchased equipment is carried at cost. Donated assets to be used in the ministry are capitalized at their fair market value on the date of the gift. Maintenance and repairs are charged to expense as incurred, whereas the cost of property and equipment additions and improvements are capitalized. The cost of assets sold, retired or abandoned, and the related amounts of accumulated depreciation are removed from the accounts in the year of disposition and any resultant gain or loss is recognized in the statement of activities.

Depreciation is provided on the straight-line basis over the estimated useful lives of the assets as follows:

Land improvements	20 years
Building and improvements	25 – 40 years
Furniture and equipment	3 – 15 years

Shipping Costs

Billings for shipping and handling costs are recorded against cost of sales.

Truth For Life

Notes to the Financial Statements

December 31, 2024 and 2023

Note 1: Summary of Significant Accounting Policies (continued)

Income Taxes

The Organization is tax-exempt under Section 501(c)(3) of the Internal Revenue Code (IRC) of 1986. No provision for federal or state income taxes has been reported in its financial statements.

Effective April 14, 2023, the Organization received an IRS determination letter confirming its tax exempt status under IRC Section 501(c)(3) and indicating it meets the requirements for classification as a public charity described in IRC Section 170(b)(1)(A)(i). The determination letter also indicated that based on the classification, the Organization is not required to file Federal Form 990. Accordingly, the Organization filed Federal Form 990 in the U.S. federal jurisdiction for 2023, but Federal Form 990 is not required in 2024 or subsequent years. The Organization also files state registrations for charitable solicitation purposes in seventeen states and the District of Columbia.

The Organization accounts for income taxes in accordance with the “Income Taxes” topic of the FASB ASC. Uncertain income tax positions are evaluated at least annually by management. As of December 31, 2024 and 2023, the Organization has identified no uncertain income tax positions and has incurred no amounts for income tax penalties and interest for the years then ended.

Ministry Expansion

The Organization categorizes ministry expansion as expenditures or grants related to programs, projects or initiatives that expand both the impact and reach of the Truth For Life ministry in the United States and internationally, consistent with its mission of teaching the Bible with clarity and relevance so that unbelievers will be converted, believers will be established and local churches will be strengthened. During the years ended December 31, 2024 and 2023, the Board of Directors authorized a \$1,000,000 and \$4,000,000 ministry expansion grant, respectively, from its Opportunity Fund to The Signatry.

Contributed Services

The Organization recognizes contributions of services received when those services (1) create or enhance nonfinancial assets or (2) require specialized skills that are provided by individuals possessing those skills, and would typically need to be purchased if not provided by the donation. There were no donated contributions of services for the years ended December 31, 2024 and 2023.

Many volunteers have contributed significant amounts of their time to the Organization. The volunteer assistance is used primarily in assembling materials for sale and for processing orders. No amounts have been reflected in the financial statements for these contributed services as the services do not meet the criteria for recording as outlined above.

Subsequent Events

In preparing these financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through March 19, 2025, the date the financial statements were available to be issued.

Truth For Life

Notes to the Financial Statements

December 31, 2024 and 2023

Note 2: Fair Value Measurements

In accordance with the “Fair Value Measurements” topic of the FASB ASC, the Organization uses a three-level fair value hierarchy that categorizes assets and liabilities measured at fair value based on the observability of the inputs utilized in the valuation. This hierarchy prioritizes the inputs into three broad levels as follows: Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities; Level 2 inputs are quoted prices for similar assets and liabilities in active markets or inputs that are observable for the asset or liability, either directly or indirectly; and Level 3 inputs are unobservable inputs in which little or no market data exists, therefore requiring an entity to develop its own valuation assumptions. These inputs reflect management’s judgment about the assumptions that a market participant would use in pricing the asset, and are based on the best available information which has been internally developed.

The following table sets forth by level, within the fair value hierarchy, the Organization’s assets at fair value:

	Level 1	Level 2	Level 3	2024
Money market funds	\$ 2,729,737	\$ -	\$ -	\$ 2,729,737
Equities:				
Mutual funds	2,701,666	-	-	2,701,666
Exchange traded funds	4,790,112	-	-	4,790,112
Fixed income:				
Mutual funds	3,076,194	-	-	3,076,194
Exchange traded funds	6,018,916	-	-	6,018,916
Government securities	-	2,534,899	-	2,534,899
	\$ 19,316,625	\$ 2,534,899	\$ -	\$ 21,851,524
	Level 1	Level 2	Level 3	2023
Money market funds	\$ 6,822,866	\$ -	\$ -	\$ 6,822,866
Equities:				
Mutual funds	2,411,056	-	-	2,411,056
Exchange traded funds	4,236,847	-	-	4,236,847
Fixed income:				
Mutual funds	3,006,897	-	-	3,006,897
Exchange traded funds	1,600,354	-	-	1,600,354
Government securities	-	1,660,191	-	1,660,191
	\$ 18,078,020	\$ 1,660,191	\$ -	\$ 19,738,211

The valuation methodology used to value the Organization’s Level 2 investments is as follows:

Government securities: They are valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issues with similar credit ratings.

Truth For Life

Notes to the Financial Statements

December 31, 2024 and 2023

Note 3: Net Assets with Donor Restrictions

Net assets with donor restrictions are available for the following purposes as of December 31:

	<u>2024</u>	<u>2023</u>
Basics conference	\$ <u>-</u>	\$ <u>50,000</u>
Total net assets with donor restrictions	\$ <u>-</u>	\$ <u>50,000</u>

Net assets were released from restriction during the years ended 2024 and 2023 by incurring expenses satisfying the restricted purpose specified by the donors as follows:

	<u>2024</u>	<u>2023</u>
Basics conference	\$ 50,000	-
Kingdom Satellite project	\$ <u>-</u>	\$ <u>45,000</u>
Total net assets released from restriction	\$ <u>50,000</u>	\$ <u>45,000</u>

Note 4: Commitments

The cost of radio airtime was \$6,002,148 and \$5,987,260 for the years ended December 31, 2024 and 2023, respectively. The radio programs are aired on nearly 1,900 radio stations around the world. The contracts with those radio stations are cancelable with 30 days' notice.

Note 5: Related-Party Transactions

The Organization received approximately \$25,000 in contributions from Parkside Church during the each of the years ended December 31, 2024 and 2023. The Organization received \$63,874 and \$62,101 in livestream cost reimbursements from Parkside Church during the years ended December 31, 2024 and 2023, respectively. The Organization had outstanding receivables due from Parkside Church of \$58,912 and \$59,931 at December 31, 2024 and 2023, respectively.

Truth For Life

Notes to the Financial Statements

December 31, 2024 and 2023

Note 6: Retirement Plan

The Organization participates in the Truth For Life Retirement Plan (the “Plan”). The Plan covers all employees over the age of 18 who normally work at least 20 hours per week. All contributions and earnings are fully vested after three years of employment. Each participant may elect to defer a portion of their annual compensation up to the amounts allowed by law. The Organization matches 50% of the first 10% of deferrals made by employees. In addition, the Organization contributes 5% of each employee’s salary to the Plan on an annual basis. During the years ended December 31, 2024 and 2023, expense related to the matching and employer contributions to the Plan totaled \$253,035 and \$220,821, respectively.

Note 7: Allocation of Joint Activities Costs

For the years ended December 31, 2024 and 2023, the Organization incurred costs for producing and distributing their radio programming as well as direct mailings to listeners. These materials included: information, materials, and activities that included fundraising appeals. These costs were allocated to fundraising, management and general and program services as follows:

	<u>2024</u>	<u>2023</u>
Fundraising	\$ 984,305	\$ 931,892
Management and general	1,162,168	1,022,783
Program services	<u>12,674,324</u>	<u>11,973,092</u>
Total joint activities costs	\$ <u>14,820,797</u>	\$ <u>13,927,767</u>

Note 8: Functional Expenses

The statement of functional expenses presents expenses by functional and natural classification. Expenses directly attributable to program services, general and administrative, and fundraising are reported as expenses of those functional areas. Payroll expenses have been allocated between program, general and administrative, and fundraising functions based on job roles. Other indirect expenses have been allocated to functional areas on the basis of payroll per functional area as a percentage of total payroll costs.
