

Listen to Truth For Life via Google Home!

You can listen to Alistair Begg on Truth For Life using *Google Home*, the voice-activated, hands-free help from Google Assistant.

Truth For Life Commands on Google Home

To listen to today's program, simply say:

"Okay Google, listen to the Truth Of Life podcast."

NOTE: Google Home mistakenly recognizes "Truth Of Life" instead of "Truth For Life", so use "Truth Of Life" when speaking commands to Google Home until this can be corrected.

To move to the next or previous day's program, **with a podcast playing**, say:

“Okay Google, next.” or
“Okay Google, previous.”

To find out what podcast is playing, **with a podcast playing**, say:

“Okay Google, what's playing?”

Other commands like “pause”, “stop”, and “resume” can be found on the Google Home podcast commands page:
